Sir,

Subject:- Building-granary-Construction-Baradka-South Mangalore-Excess expenditure

---

Ref. G.O.No.Mis.1381 Dev.dated 21-8-1928.

In the G.O. quoted above sanction was accorded for the construction of a granary at a cost of Rs.230 at Baradka for storing grain for distribution to the coolies employed in the Malkur reserve in the South Mangalore Division. The work has been completed and the actual expenditure has come to Rs.282-8-0. The excess of Rs.52-8-0 was due to the inadequacy the original rate for wood work as skilled labourers were not available locally and had to be got from distant places and also to the omission to provide in the original estimate for the charges of transporting sawn timber and laterite from a dists of 2½ and 3½ miles respectively. It is requested that Goverment may be pleased to sanction the excess expenditure of Rs.52-8-0.

The cost of the granary will be debited to the minor grain of Rice and recovered in 10 years - Sec 'A' on p6 of Go 1381 21-8-28
